

General Carpenter

Founded in 1989 as a 7500 square foot scene shop, Mystic Custom Fabrication has expanded over the last 35 years into a full-service fabrication company specializing in broadcast environments, museum exhibits, high end custom millwork, and restaurant interiors. We now have over 100 employees and occupy over 100,000 square feet of production space in Norwood, Massachusetts. Mystic has become an industry leader in custom fabrication of millwork and studio set construction. Our diverse client and project base frequently requires us to find creative solutions to a variety of design challenges.

We are looking for experienced woodworkers and carpenters. We are a high-end, high-profile shop known for doing unusual projects. Carpenters are responsible for building in the shop while helping to ensure that projects are completed to the high standards of quality that Mystic is known for.

Duties:

- Fabrication of scenic carpentry
- Work with Project Managers, Operations Manager, and other shop staff
- Read, interpret, and build from shop drawings
- Some travel possible for installations
- Safe operation of power and hand tools
- Ability to follow directions and work well in a team environment
- Adaptability to work in various departments depending on project needs

Requirements:

- High School diploma or equivalent
- 3+ years of experience in a high-quality wood working shop
- Working knowledge of metal fabrication is a plus
- Ability to read blueprints
- Ability to select materials
- Excellent working knowledge of all woodworking machinery and construction techniques
- Ability to be able to work with a broad variety of materials
- Ability to work overtime and some weekend work to meet deadlines
- Experience working with Laminate/Veneers

Preferred Skills:

- Commercial field installation familiarity

Physical Demands:

While performing the duties of this job, the employee is regularly required to talk and hear. This position may be active and require standing, walking, bending, kneeling, stooping, crouching, crawling and climbing. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception and ability to adjust focus. The employee is frequently exposed to loud noises, fumes or airborne particles, moving mechanical parts, and vibration.

Benefits include health insurance, 401K, paid vacation days, available dental, life and disability insurances.

To apply, please send a cover letter and resume to careers@mysticcustomfab.com
