

Graphics Installer

Founded in 1989 as a 7500 square foot scene shop, Mystic Custom Fabrication has expanded over the last 30 years into a full-service fabrication company specializing in broadcast environments, museum exhibits, high end custom millwork, and restaurant interiors. We now have over 100 employees and occupy over 100,000 square feet of production space in Norwood, Massachusetts. Our diverse client and project base frequently requires us to find creative solutions to a variety of design challenges.

We are looking for an experienced Graphics Installer (this is not a graphic design position). They are responsible for in the shop and onsite graphics installation to ensure that projects are completed to the high standards of quality that Mystic is known for. This position may require assisting other departments on an as needed bases. Flexibility and the willingness to be a team player will be essential to the position.

Requirements:

- 3M-certified, or able to complete certification training
- Able to install, or willing to take classes for, paste-up wallcover installation – classes through WIA
- Familiarity with using laser cutters
- Familiarity with vinyl plotters and cutting software (SignLab used in-house)
- Experience dealing with end clients onsite
- Dexterity and attention to detail
- **Color vision is essential.**
- Troubleshooting, from file prep to mechanical issues
- Deadline driven
- Overtime and some weekend work may be required to meet deadlines
- Travel for installation of projects

Preferred Skills:

- Proficient in Illustrator and Indesign to set up vinyl and laser file separations
- Silk screen experience
- Print production experience

Physical Demands:

While performing the duties of this job, the employee is regularly required to talk and hear. This position may be active and require standing, walking, bending, kneeling, stooping, crouching, crawling, climbing and the ability to lift and carry 50lbs. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception and ability to adjust focus. The employee is frequently exposed to loud noises, fumes or airborne particles, moving mechanical parts, and vibration.

Benefits include health insurance, 401K, paid vacation days, available dental, life and disability insurances.

To apply, please send a cover letter and resume to careers@mysticcustomfab.com.
